TO ALL OF OUR CUSTOMERS

Subject: Safety Quality Licenses and Certifications

Ladies and Gentlemen:

The G. C. Broach Company has again been duly licensed by the Ministry of Labour for The People's Republic of China to export Direct Fired Heaters, Pressure Vessels, Exchangers, Waste Heat Boilers, and other engineered equipment into the People's Republic of China. Copies of our Manufacture License of Special Equipment Pressure Vessel, D1 & D2 No. TS2200F65-2022 and our Manufacture License of Special Equipment Boiler, B No. TS2100F65-2022 are enclosed for your information.

The G. C. Broach Company has also been approved by Korean Gas Safety for Pressure Vessels for export into South Korea. A copy of our Certificate of Manufacture Registration of Cylinder (Refrigerator & Specific Equipment) No. ES – 454 is enclosed for your information.

The G. C. Broach Company continues to maintain our certifications for ASME Section I and Section VIII, Stamps for "U" No. 8110 & "S" No. 7824; National Board, Stamps for "NB" & "R" No. 1068. Copies of these certificates are enclosed.

On any project in The People's Republic of China, South Korea or any other destination in the world that you presently have under contract, or will be bidding on, we would be very pleased and honored to furnish pricing for the equipment that we design and manufacture.

We look forward to receiving your inquiries for equipment that we design and manufacture.

Sincerely,

THE G. C. BROACH COMPANY

Roger Broach
